

Take a CAASPP Practice Test!

The California Assessment of Student Performance and Progress (CAASPP) is the system of statewide tests for English language arts/literacy, mathematics, and science given each year that measures what students know and can do in each of these content areas.

You can take a practice test with your student in:

English Language Arts (ELA) and Mathematics

Smarter Balanced Assessments
California Alternate Assessments*

Science

California Science Test (CAST)
(coming in November 2018)

The Practice Tests can be found at

<http://www.caaspp.org/practice-and-training/index.html>.

More information about the CAASPP can be found on the California Department of Education CAASPP web page at <https://www.cde.ca.gov/ta/tg/ca/>.

*The California Alternate Assessments are for students with the most significant cognitive disabilities who have an active individualized education program.

Students and families can use Practice Tests to:

- Become familiar with the types of test questions
- Understand what students need to know and do on each test
